

GOOD THINGS ARE HAPPENING AT MOBILE CARE GROUP FOR THE HOLIDAYS!

We've been busy with community outreach - here's a recap of the last couple of weeks:

1. Easter Seals Clothing Drive: We had a clothing drive November 29 & 30, collecting 1,978 pounds of clothing, and 596 pounds of household goods. As a result, we received a check from Easter Seals for \$425 which will be given to the Northwest Ohio Food Bank to be used to feed the needy over the holidays. Thank you to everyone who donated!

2. American Red Cross Blood Drive: We hosted a blood drive yesterday, December 12, and collected 15 pints of blood. Every pint of blood has the potential of saving 3 lives - so 45 lives may be saved thanks to all of our generous donors! Our next blood drive is scheduled for April 12.

3. As the Holiday's approach, we want to take the opportunity to again thank all of our customers for the privilege of working with them. We appreciate their loyalty, and the confidence they have placed in Mobile Care Group, in partnership, in the delivery of healthcare services to their residents.

As is our custom, in lieu of individual facility donations, to show our appreciation we have made contributions to four very important organizations:

1. Children's Hospital of Michigan
3901 Beaubien
Detroit, Michigan 48201
(a premier children's hospital helping all children)

2. The Alzheimer's Association of Michigan
Great Lakes Chapter
564 S. Main Street Suite 200
Ann Arbor, Michigan 48104
(the leading, global voluntary health organization in Alzheimer's care and support and the largest private, non-profit founder of Alzheimer's research)

3. Shriners Hospitals for Children
3229 Burnet Ave
Cincinnati, Ohio 45229
(a premier children's hospital helping all children)

4. The Alzheimer's Association
2500 North Reynolds Road
Toledo Ohio 43615
(the leading, global voluntary health organization in Alzheimer's care and support, and the largest private, non-profit founder of Alzheimer's research)

We honor our customers by contributing to these four very worthy organizations - helping both ends of "life's cycle".

Our sincere wishes for a Happy Holiday Season, and a Healthy and Prosperous New Year.

Very truly yours,
Joe Wallace
