- Mobile Healthcare
- Systems Consulting
- Mobile Oxygen Services

As the Holidays approach, we want to take the opportunity to thank you again for the privilege of working with you. This has been an unprecedented year and we are truly grateful for the confidence you have in Mobile Care Group in the delivery of ancillary healthcare services to your residents.

We always appreciate your loyalty, your cooperation and our partnership.

As is our custom to show our appreciation, and to honor you, we have made donations to certified non-profit organizations. This year we have selected three charities making a real difference in the fight against COVID19:

1. **American Red Cross – The oldest and most recognized non-profit that responds to emergencies worldwide. It has been named one of the leading organizations that is providing COVID19 relief. <https://www.redcross.org/about-us/news-and-events/news/2020/how-the-red-cross-is-helping-people-during-covid-19.html>**
2. **Americares – A top non-profit association providing multifaceted assistance: supplies, clinical care, and support, during the COVID19 pandemic. <https://www.americares.org/emergency-program/coronavirus-global-health-emergency/>**
3. **Doctors without Borders – A worldwide non-profit organization giving independent and impartial medical aid to people in need throughout the world. Our sincere wishes for a Happy Holiday Season and a Healthy New Year.

Very truly yours,
