

Riverpoint Church Youth Group (Point Place) held a Car Wash outside of Mobile Care Group's (MCG) Sylvania office in June. Riverpoint Church members sponsored their youth per vehicle washed for a total of \$307, they washed 11 MCG vehicles at \$10/vehicle (\$110), and received cash donations totaling \$221. The grand total raised for their group in about 5 hours was \$638. Needless to say, they were thrilled with the money raised, which will greatly assist them in their activities throughout the year. They were so pleased, they are planning another car wash in August.
